## **Dr. Lauryssen was recently listed as one of top 100 spine surgeons in the US.**

Carl Lauryssen, MD (Olympia Medical Center, Beverly Hills, Calif.). Dr. Lauryssen is the director of research and education at Olympia Medical Center. He previously served as the director of research and education for Cedars-Sinai Institute for Spinal Disorders in Los Angeles. He currently serves on the editorial boards or as guest reviewer for four professional publications, including the Journal of Spine Disorders and Journal of Neurosurgery. He has participated in neurosurgical medical missions, including one to Kenya, and is currently the consulting neurosurgeon for the St. Louis Rams and ABC News editorial staff. After Dr. Lauryssen received his medical degree from the University of Cape Town in South Africa, he completed an internship at Groote Shuur Hospital in Cape Town along with residencies in general surgery and neurosurgery at the University of Saskatoon in Saskatchewan, Canada, and University of Calgary in Alberta, Canada.
